EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Michael Chinlund on July 9, 2007.

The application has been amended as follows:

In the claims:

Claim 48: --and, the second portion pivotably and rotatably attached to the first portion-- has been added after "the first portion" in line 8.

2. The following is an examiner's statement of reasons for allowance:

The prior art of record does not disclose or suggest a base for a light generating device or a leveling device comprising a first portion having a planar surface at least partially surrounded by a rim, the rim having a pocket therein and wherein the first portion is both pivotable and rotatable relative to the second portion in combination with the remaining limitations of the claims.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue
